I'm taking my Bible to work today

*(the day after Bible Sunday)*

**You've unlocked the Bible's rich treasures.  
Now take it with you – and help others discover it too.**

- Get God on your iPod and listen to an audio Bible on the bus
- Read Matthew instead of the *Metro*
- Stick a verse on your computer (*how about Colossians 3.23?*)
- Download the Beatitudes to your Blackberry

However you do it, bring your Bible to work.

And tell us how you get on – visit [www.biblesunday.org](http://www.biblesunday.org)
