

BIBLE SUNDAY 2009

Count on it

Living in the certainty of God's Word

Bible Sunday / /2009

There are so few people and things in this world that we really feel we can count on. Most of us have felt let down or experienced disappointment at some point. **This year's Bible Sunday resources are based on Isaiah 55:1-11, bringing us a strong reminder that there is one thing that we can always count on – God's Word.** Bible Sunday will explore what it means to *live in the certainty of God's Word*, with the confidence to stand on God's promises, no matter what our life's circumstances may be.

Come along and allow God to speak to you, remembering that there are many believers around the world who are not so privileged to have God's Word in their own language.
