Reading the Bible will give you a better understanding of God's love, plan and purpose, and can transform your life.

Through the Bible in a Year is designed to help you read through the entire Bible in 365 days, with one reading from each of the Old and New Testaments for each day.

The readings are divided into "logical" sections, ending at the end of a chapter or story, or major section heading.

You may start the program on any day of the year, since there are no specific dates attached to the readings.
